

CD-CRT CABINETS

COMPLIANT, TEMPERATURE CONTROLLED STORAGE OF CONTROLLED DRUGS

CONTROLLED DRUG STORAGE

Controlled drugs must be stored in lockable cabinets whose construction meet the Misuse of Drugs Act (safe storage) 1973 and BS2881:1989 Storage of Medicines in Healthcare Premises.

Additionally, all must be securely fixed to a suitable wall to meet these regulations.

CD-CRT CABINETS

We are the only UK company offering a controlled room temperature storage solution for controlled drugs which meet all relevant UK legislation regarding the storage of controlled drugs.

Available in 4 sizes from 27 litres to 196 litres and constructed from powder coated sheet steel, with anti pick, anti jemmy lock, all our CRT controlled drugs cabinets are Misuse of Drugs Act, BS2881:1989 and BS3621 compliant.

- Regulated temperature between 15°C - 25°C
- Compliant with all required standards for controlled drugs storage
- Digital Display Controller
- Minimum/ Maximum Temperature Memory
